

The Port of Baltimore

For all your cargo needs!

The Port of Baltimore is strategically located within the third largest consumer market and is the closest East Coast port to the Midwest. Baltimore also offers outstanding labor as well as two heavy lift cranes with a max load of 200 metric tons.

The Port of Baltimore offers on-dock direct rail discharge.

Baltimore—The port for all your cargo needs!

We are experts in handling all types of bulk, breakbulk and project cargo.
