

Export Specialist Position Available

Move the World with DACHSER!

Join the excitement of a dynamic company that leads the logistics industry with a worldwide range of logistics services. For over 86 years, DACHSER has provided intelligent logistics services and now employs over 27,450 people worldwide in 409 locations globally.

DACHSER USA is currently seeking a dedicated and knowledgeable Export Specialist to join our Baltimore Office located in White Marsh, MD. This position will support air & ocean export activities for DACHSER USA's Air & Sea Logistics division.

The Export Specialist completes the coordination of all aspects of air & ocean export shipments. This role prepares issues and submits documentation to ensure proper exportation of cargo while ensuring that service commitments are achieved and maintained in accordance with client and company objectives. In addition, the Export Specialist provides clients with advice concerning terms of delivery and payment, insurance, services (air, ocean, or transport), or other matters affecting the client's needs.

Requirements of the position include:

- Minimum 2 years of experience working in Air & Ocean Exports preferred.
- Strong knowledge of Export, TSA & FMC regulations and documentation.
- High School Diploma or its equivalent.
- Hazmat certification a plus.
- Must be customer focused with a desire to provide outstanding service to both internal and external customers while maximizing profit.
- Excellent carrier/vendor negotiation skills.
- Flexible attitude and the ability to adapt to changes readily.
- Proficiency in Windows programs, specifically Word and Excel.
- Professional demeanor, including excellent written & verbal communication skills.
- Stellar organizational skills and the ability to meet deadlines.
- Ability to work within a team environment where keeping open communication among your colleagues is vital.
- Available to work overtime as needed.

DACHSER offers a generous benefits package and competitive salary.
