

# IMPORT EXPORT NORTH AMERICA

powered by **AIAG**  
& **FINISHEDVEHICLELOGISTICS**

## *New connections*

## *and changing flows*

### Speakers include:

Dennis Manns, Vice  
President of Logistics, Honda

Ed Wilson, General  
Manager, Vehicle Logistics,  
Volkswagen

Paul N. Jaenichen, Sr, Deputy  
Maritime Administrator,  
USDOT - Maritime  
Administration

### *Passenger Terminal, Port of Baltimore 13 August 2014*

The Automotive Industry Action Group's (AIAG) industry understanding and connections has combined with the reach and organising ability of Finished Vehicle Logistics to provide a unique one day conference.

### Delegate fee includes:

- presentation and discussion sessions
  - carefully-planned networking before, during and after the day's formal business
  - breakfast, lunch, coffee and evening cocktails
  - soft copies of the presentations to download after the event...
- ...and the ability to meet, learn and do business
