Broening Highway Reconstruction Project – October 15, 2012

The reconstruction of Broening Highway will commence on Monday 10/15/12. The first phase of the project will involve the Keith Avenue - Broening Highway interchanges along with utility work on both shoulders of the roadway.

During the entire project, lane alterations can be expected along with various maintenance of traffic devices to direct the flow of traffic along Broening Highway. Construction is expected to last for approximately 24 months.

Please exercise caution while transiting the project area at all times.

Periodic updates will be sent out via eBroadcast as the project progresses.
