

Maryland Port Administration Environmental Policy/Goal

Maryland Port Administration (MPA) believes that stewardship and sustainability of the environment and protection of human health are essential elements of its mission. MPA is committed to environmental compliance and improvement; reduction of its energy consumption; continual improvement of environmental and energy performance; pollution prevention; and effective engagement with its employees, communities, port users and cargo owners.

This policy will be communicated to the employees as:

MPA **C**ontinual Improvement
Adherence to Regulations
Reduction / Prevention of Pollution & Waste
Environmental Outreach
Supply Adequate Resources
