Global Logistics, LLC

Export Operations Position

April 2018

Thunderbolt Global Logistics is an international freight forwarder and customs broker based in Baltimore, MD. Our office is directly across the street from Penn Station (Amtrak and MARC station). We are searching for a talented person to join our Export Operations Team.

Successful candidates must demonstrate the ability to work in a dynamic team environment. The person must be organized, work efficiently and have the ability to multitask. We want a person that knows how to solve problems when they arise.

Responsibilities include but are not limited to the following:

Arrange export ocean and air shipments from pick up at origin to overseas destination depending on the terms of sale. We have many shipments that are DAP and involve our agent at destination. Strong consideration will be given to any individual that has an operational background with project/ out of gauge (OOG) cargo.

Ability to quote clients/agents competitively and profitably. Fast turnaround of quotations when requested is very important. Experience using the Cargosphere rate/quotation platform is a plus.

Knowledge of U.S. Export Regulations is required. The successful candidate must have knowledge of Census/FTR and BIS regulations.

Must have the ability to communicate proficiently with clients, agents, truckers, warehouses and terminal operators.

General Expectations and Skills required:

- 3-5 years of industry experience working for an international freight forwarder
- CES (Certified Export Specialist) is an advantage
- Analytical thinker with problem solving skills
- Strong organizational, written and interpersonal skills
- Continuing education within the industry.
