Terminal/Facility Security Access Procedures

1. All trucking companies and drivers seeking access to a Maryland Port Administration ("MPA") terminal or facility ("Facility") must be fully registered with E Modal and Trucker Check prior to entering the Facility.
2. Each driver entering a Facility must display a valid Transportation Worker Identification Card ("TWIC")¹ issued in his/her name for unescorted access.
3. Each driver who does not possess a TWIC and seeks access to a Facility must present a valid alternative form of identification issued in his/her name from a government authority, employer, union, or trade association and make prior arrangements for an Approved Escort.
4. Each co-driver and helper accompanying a driver seeking entry to a Facility must possess a valid TWIC in his/her name. A Co-driver must also possess a valid Commercial Drivers License (CDL) in his/her name.
5. Fines up to \$25,000 per violation may be imposed for violations of the TWIC
