

Superintendent

Job Type: Full Time

Location: Baltimore, MD

Job Description:

Canton Stevedoring is hiring a full-time stevedoring superintendent in Baltimore. The candidate will support the company's operation with several functions including, but not limited to: supervising longshoremen in breakbulk and bulk operations, ensuring cargo is handled safely and expeditiously, and helping manage the company's safety and environmental programs. This is a full time salary position. Company offers after qualifying, medical, dental, vision insurance and 401k with 4% match.

Essential Responsibilities and Duties

- Demonstrating safe work habits and adherence to company safety and environmental programs.
- Supervising longshoremen in terminal operations and vessel shift work.
- Identifying hazards, obstacles, problems, and issues affecting safety and productivity of operations and communicating all to appropriate manager.
- Prepare and Complete various reports and forms regarding vessel and terminal security, manpower, safety, shift production, and environmental controls.
- Plan and execute various lifting plans for project, breakbulk, and containerized cargo.
- Other duties assigned by management.

Skills/Requirements:

- Ability to climb up and down a ladder in tight physical spaces like the holds of a cargo ship.
- Ability to use a computer or mobile phone equipped with Microsoft 365.
- The ability to lift 40 pounds.
- The ability to work in any weather environment.
- Leadership Experience
- Must be able to work in a team environment.
- Knowledge of Safe Rigging / Lifting Principles.
- Completion of Undergraduate Degree preferred.
- Stevedoring or Maritime background preferred.
- Must be available to work varied hours, shifts, and days.
