

**THUNDERBOLT**  
Global Logistics, LLC

## Import Operations Position

May 2021

Thunderbolt Global Logistics is an international freight forwarder and customs broker based in Baltimore, MD. Our office is directly across the street from Penn Station (Amtrak and MARC station). We are searching for a talented person to join our Import Operations Team.

Successful candidates must demonstrate the ability to work in a dynamic team environment. The person must be organized, work efficiently and have the ability to multitask. We want an individual that knows how to solve problems when they arise.

We are currently working in a hybrid manner with operations working on a 1 week in the office and 1 week at home schedule. We are flexible to help meet the needs of any employee.

Responsibilities include but are not limited to the following:

Process import air and ocean shipments from pick up at overseas origin to delivered in the USA including customs clearance. Strong consideration will be given to any individual that has an operational background with project/ out of gauge (OOG) cargo.

Knowledge of Customs regulations and PGA's with particular attention to CPSC, USDA (Lacey Act) and FDA.

Continuous daily communication with clients, agents, truckers, warehouses, airlines and terminal operators is critical to the position.

General Expectations and Skills required:

- 2-3 years of industry experience working for a customs broker/freight forwarder
- CCS (Certified Customs Specialist) preferred
- Analytical thinker with problem solving skills
- Strong organizational skills
- Strong written and interpersonal skills.
- Experience using the Descartes/IES platform is a plus
- Continuing education within the industry.

Thunderbolt Global Logistics offers a competitive salary and benefit package along with a 401K plan. To learn more and schedule an in person or virtual interview send your CV/Resume to [jobs@thunderboltglobal.com](mailto:jobs@thunderboltglobal.com).
