

Environmental Management System Policy

EMSPOL

Revision Date: March 28, 2017

MPA's Environmental Policy

Maryland Port Administration (MPA) believes that stewardship and sustainability of the environment, its business and protection of public health are essential elements to accomplish its mission to promote the flow of waterborne cargo through the port. MPA is committed to environmental compliance and continual improvement; pollution prevention; and effective engagement with its employees, communities, port users/tenants, government and non-government organizations.

This policy will be communicated to the employees as:

MPA

- C**ontinual Improvement
- A**dherence to Regulations
- R**eduction / Prevention of Pollution & Waste
- E**nvironmental Outreach
- S**upply Adequate Resources
